

**Excellent  
Ultrathin  
Daily Contact Lens**

Piiolset 1Day daily disposable lenses are extremely thin and comfortable.

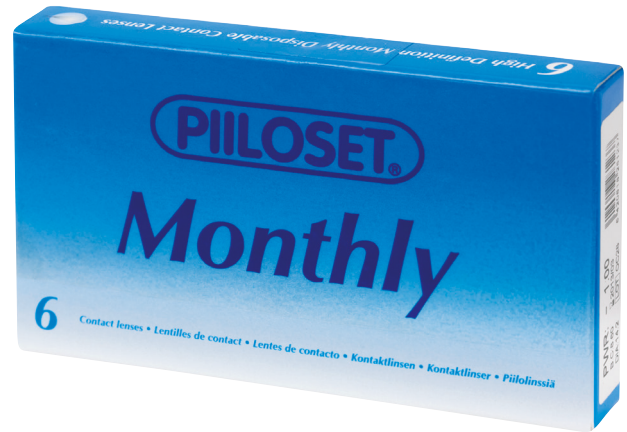

Designed by the Wavefront technology, Piiolset 1Day daily lenses are *High Definition lenses* with aspheric front design. As a result they may accommodate astigmatism up to 1 dioptre and correct often hidden higher order aberrations in the eye.

**Choose the best quality for your precious eyes:  
Freedom and comfort by Piiolset 1Day**
